MEMO FROM THE OFFICE OF BISHOP HECTOR VILA

Date: May 13, 2022
To: All parishioners

*We are most grateful that the Holy Father has accepted the invitation from the Conference of Canadian Bishops (CCCB) to come to Canada so as to continue on the path of reconciliation and healing with Canadian Indigenous Peoples. His Holiness has announced that he will be in Canada from **July 24th to July 29th, 2022**. In view of Pope Francis' age and health condition, he will be focusing his visit on three Canadian locations: **Edmonton, Alberta, Iqaluit, Nunavut and Québec City, Québec**. More information about the Walking Together towards Reconciliation and Healing visit can be found on the Papal Visit to Canada website (www.papalvisit.ca) and on the CCCB website at <https://www.cccb.ca/media-release/catholic-bishops-welcome-announcement-of-dates-and-hub-cities-for-papal-visit-to-canada/>.*

I invite you to keep the Holy Father in your prayers as well as to continue praying for reconciliation and healing in Canada.

WORLD COMMUNICATION DAY- MAY 29

Today Catholics are invited to reflect upon the media of social communication (films, radio, television, newspapers, audiovisuals) and how these influence our lives.

The media can promote values that lead to a more fully human society. The Church's ministry is twofold. The media can be used to help promote the Gospel. At the same time, as receivers of the materials presented by the media, the faithful have a duty to support and promote worthwhile presentations on media and reject those, which promote value contrary to spiritual growth.

The office may not always be open. For inquiries/ requests, please email the office at office@sacredheartcathedral.ca

<p align="center">INSULATION OF THE WALLS OF THE CATHEDRAL</p> 	<p>The parish would like to thank you for all your support. Your contributions have helped with our church ministry & services, church maintenance and renovations. However, we are once again appealing for your contribution for our church. The next step of our energy efficiency plan for the Cathedral should be to add insulation to the walls and foundation of the CYO hall. At this time, we have received \$32,000: we do not have the funds available to complete the whole plan. Therefore, this year, we will only add insulation to the foundation. Our architect drew the plans and we sent the proposition for the work to 8 contracting companies. Two of those companies sent us a bid so we applied for the Community Development Fund and are now waiting for their reply.</p>

The Ascension of the Lord - Some musings

The days have been very spring-like, the sun is shining and most of the leaves are out and our flowering trees are dressed in colours of green and crimson. The red maples are a very deep crimson this year. The birds and other little critters are fattening up once more. My windows are open and the fresh breeze flows through to enliven the house once shut against the cold winds. The flowering tree in my front yard is starting to lose its blossoms and as I come in, the petals shower me with their blessings and I too, gaze heavenward watching as that tree starts to bear fruit. Unlike the disciples, I don't always gaze heavenward in expectation for that glorious Second Coming.

Have we in some way lost the wonder of that event? Do we always wait in joyful anticipation for the Second Coming? In this day and age of so much technology which seems to explain so many of the wonders of creation, I think we've lost that sense of awe that the early followers of our Lord experienced. We need to find our way back to that sense of wonder and awe. All we need to do that is spend some time looking closely at the world around us. Take a good look at any tree and consider all its leaves. There's not one that's exactly the others. Each is unique in its makeup. Look at the marvel of snowflakes. (I know we don't even want to think of that just now!) but each of those millions of tiny flakes is unlike any other.

So I had to ask myself, if a God who works these kinds of miracles, chooses to bring His Son home to Himself by

raising Him to heaven in the sight of so many witnesses, why do we doubt His power to do all things? We know that Church attendance is down and our role as His disciples in this highly techie world, is to re-evangelize a very secular world. We can do this in so many different ways, ways that demonstrate our love of God and neighbours; our hope in eternal life, our joy to be His hands, His heart, His compassionate love for all. Let's take some lessons for those early followers and be unafraid to say that we are His followers, not by our words, but by our lives. We should take the words of St. Francis to heart, "Preach the gospel always, if necessary use words." My Dad put it differently. He would tell us, "People may not always believe what you say, but they will always believe what you do." I have found this to be true.

We will soon celebrate the Feast of Pentecost and the birth of our Church, a Church that was commissioned to preach the Good News to all God's people. Let's stop looking up in the hope of seeing some revelation from Heaven; let's stop looking down to see where we should stand; let's look around and see where our gifts are needed here in the world around us.

If we learn some lessons from the natural world, that each is created differently, let's find a use for our gifts, no matter how meagre we may believe they are, and put them to good use to enlighten our place in this wonderful, wondrous world where we're meant to see the need for those gifts and not be afraid to use them for the good of all.

Wishing you a week of blessings and many small miracles. Betty Brunch

	<p>Mardi le 31 mai, Visitation de la Vierge Marie. Élisabeth s'écria d'une voix forte : « Tu es bénie entre toutes les femmes, et le fruit de tes entrailles est béni. D'où m'est-il donné que la mère de mon Seigneur vienne jusqu'à moi ? Car, lorsque tes paroles de salutation sont parvenues à mes oreilles, l'enfant a tressailli d'allégresse en moi. Heureuse celle qui a cru à l'accomplissement des paroles qui lui furent dites de la part du Seigneur. » <i>Luc 1, 42-45</i></p>
<p>Armoiries du Diocèse de Whitehorse</p> 	<p>13 mai 2022 À tous les paroissiens Nous sommes très reconnaissants que le Saint-Père ait accepté l'invitation de la Conférence des évêques du Canada (CECC) de venir au Canada afin de poursuivre la voie de la réconciliation et de la guérison avec les peuples autochtones du Canada. Sa Sainteté a annoncé qu'il sera au Canada du 24 au 29 juillet 2022. Compte tenu de l'âge et de l'état de santé du pape François, il concentrera sa visite sur trois sites canadiens : Edmonton, Alberta, Iqaluit, Nunavut et Québec, Québec. De plus amples renseignements sur la visite 'Marcher ensemble vers la réconciliation et la guérison' se trouvent sur le site Web de la visite papale au Canada (www.papalvisit.ca) et sur le site Web de la CECC à https://www.cccb.ca/media-release/catholic-bishops-welcome-announcement-of-dates-and-hub-cities-for-papal-visit-to-canada/ .</p> <p>Je vous invite à garder le Saint-Père dans vos prières et à continuer de prier pour la réconciliation et la guérison au Canada.</p>

<p>Rénovation de la cathédrale</p> 	<p>La paroisse vous remercie pour tout votre soutien. Vos contributions ont aidé à notre ministère et à nos services d'église, à l'entretien et à la rénovation. Nous faisons une fois de plus appel à votre contribution pour notre église. La prochaine étape de notre plan d'efficacité énergétique pour la cathédrale devrait être, d'ajouter de l'isolation aux murs et aux fondations de la salle CYO. À l'heure actuelle, nous avons reçu 32 000 \$ nous n'avons pas les fonds disponibles pour compléter l'ensemble du plan. Par conséquent, cette année, nous n'ajouterons que de l'isolant à la fondation. Notre architecte a dessiné les plans et nous avons envoyé la proposition pour les travaux à 8 entreprises contractantes. Deux de ces entreprises nous ont envoyé une soumission, alors nous avons postulé pour le Fonds de développement communautaire et nous attendons maintenant leur réponse.</p>
