DIOCESAN NEWS

Red Wednesday - November 17TH 2021

As a Catholic and Pontifical organization, Aid to the Church in Need is particularly concerned with the poor, oppressed, or persecuted communities.

Red Wednesday is an event aimed at highlighting the persecution and injustice suffered by Christians, while promoting respect and tolerance between people of different religions. We want people to take a stand for their faith, and more broadly, for religious freedom.

Currently, 327 million Christians live in a country where there is religious persecution. Another 178 million live in a country where there is discrimination. It makes 505 million Christians who are at risk. Although it is difficult to keep a precise count, we believe that 75% of religiously motivated violence is perpetrated against Christians.

In solidarity with Christians who suffer for their faith, we are inviting people to organize an event around that theme, to make themselves visible by wearing red.

Saint Narcissus of Jerusalem October 29

<p>ST. NARCISSEUS WAS BORN AROUND THE END OF THE FIRST CENTURY AD WHEN HE WAS ABOUT 80 HE WAS MADE THE BISHOP OF JERUSALEM.</p>	<p>HE WAS KNOWN FOR HIS MIRACLES, ESPECIALLY FOR ONCE TURNING WATER INTO OIL FOR THE CHURCH LAMPS.</p> <p>Lord, we need light for your vigil...</p>
<p>HE WAS ALSO KNOWN FOR BEING STRICT ABOUT CHURCH LAWS.</p> <p>This is what the Church teachers! He's too harsh. Let's get rid of him...</p>	<p>BUT THEN HE WAS FOUND INNOCENT MEANWHILE OTHER BISHOPS HAD LOOKED AFTER JERUSALEM.</p> <p>You must come back!</p>
<p>THE PEOPLE WELCOMED HIM BACK AS THOUGH HE HAD BEEN RAISED FROM THE DEAD!</p>	<p>I need you to go to the new priests...</p> <p>BECAUSE HE WAS SO OLD, ANOTHER BISHOP WAS SENT TO HELP HIM. SAINT NARCISSEUS LOOKED AFTER HIS PEOPLE UNTIL HE DIED AT ABOUT 116!</p>
<p>SAINT NARCISSEUS SERVED GOD UNTIL HE WAS VERY OLD. HE DID NOT WAIT UNTIL HE WAS OLD TO START BEING HOLY, AND HE DID NOT STOP EVEN WHEN HE WAS OLD AND TIRED. THINK OF HOW MUCH GOOD WE CAN DO IF GOD GIVES US A LONG LIFE! WE CAN PRAY TO ST. NARCISSEUS FOR PERSEVERANCE.</p>

My teacher, let me see again."

The Miracles of Jesus - Blind men in Galilee

Coloring & Activity Pages by: Bible-Printables.com
Two blind men begged Jesus to have mercy on them. He touched their eyes and they received their sight.

A cold sounding wind stretches icy fingers around my windows, searching it seems, for an opening to warm those cold fingers. It's a dreary day with a pallid sun attempting to break through those low overhanging clouds. My view is obscured by a ground mist, making it look like the trees are standing in a sea of cold vapor. It's a day for keeping warm and comfortable. As I look on that scene I thank the Lord that I can see it. Not everyone can do so. "Let me see again." Losing one's sight must be a dreadful loss. I think of all those things I'd miss were I not able to see. Yet there are, I think, worse things than losing one's physical eyesight. All too often we miss things because we do not understand. In the course of a day we frequently say, "Oh! I see!" meaning that suddenly we understand what someone is telling us. We do not mean that we see it physically but that suddenly we understand it at some deeper level.

Was this blind beggar asking for that kind of sight or did he just want his physical sight restored? We don't know the answer to that question but what we do know is that Jesus restores the man's physical sight and the beggar, because of his faith in the healing power of Jesus, follows Him. We, who have had the benefit of over two centuries of teaching by our Church, how well do we follow the Lord of healing and power? Not always as we should. With our knowledge of science and technology

we can become complacent in our faith practice. I'm not sure that I'd stand in the midst of a crowded street and beg a favour from our Lord. I'm not sure what holds me back and keeps me silent. But I do know I'd be very reluctant to speak out

I know that the Lord wants only the very best things for us and will answer if we ask in faith and trust. I also know that the Lord always answers the prayers of His people but many times we do not like the answer. Sometimes that answer is 'no', and sometimes it's 'you're asking the wrong question.' We may ask for healing and if the answer 'is not yet' we need to keep trusting that He will do what is best for us. The persistence of the blind man is a lesson for us all. Not only must we keep asking but we must continue to do so even when the answer is not immediately forthcoming. We must never become discouraged by a lack of an answer.

The faith shown by the blind man models for us the faith our Lord wants from each of His followers. He wants us to ask for what we need and then, when we've laid it at the foot of His cross we need to leave it there. As young parents we had a very ill baby who was in and out of the hospital on a regular basis. I had a wonderful neighbour who was a woman of deep faith. I told her that we had prayed for an answer to this little babe's health issues and the Lord remained silent. She asked if I'd laid the prayer at the foot of the cross and when I told her I had done that, she said to me, "But I imagine that after laying it there when you walk away you take it right back with you." She was absolutely correct! In these next few weeks, let's endeavor to pray with persistence and trust and wait patiently for His answer and when we hear it let's accept it with trust. The other evening as the sun had finally broken through the clouds, I watched the setting sun cast prisms of beauty on the leaves of the bush, outside my window and thanked Him that I was able to see that wonder. Let's remember to thank Him always for all His goodness and blessings, never growing tired of praising and thanking Him.

Wishing you a week of many blessings and small miracles.

Remember that when you leave this earth, you can take with you nothing that you have received – only what you have given: a full heart, enriched by honest service, love, sacrifice and courage.
