Psalm 121

**Our help is from the Lord,
Who made heavens and earth**

I lift up my eyes to the hills-
from where will my help come?
My help comes from the Lord,
Who made heaven and earth.

The Lord will not let your foot be moved;
He who keeps you will not slumber.
He who keeps Israel
Will neither slumber nor sleep.

The Lord is your keeper;
The Lord is your shade at your right hand.
The sun shall not strike you by day,
Nor the moon by night.

The Lord will keep you from all evil;
He will keep your life.
The Lord will keep your going out and your coming
in from his time on and forevermore.

The **Book of Life** will be in the Cathedral in front of the altar for the month of November. If you want to put a picture of a family member or a friend who passed away or update the information, enhance your memento, you can do so by stopping by at the parish office or by sending an email to the parish.

The 29th Sunday in Ordinary Time – Some Musings
“Yet when the Son of Man comes will He find any faith on earth?”

What a difference a few days make! It’s as though I woke up one morning and all the leaves had turned colour. Fall has made its presence known and our world is now a quilt of bright colours of gold, crimson, and yes, even some green left on the trees. Not many of the leaves have fallen but we know that event if not far off. The little grey squirrel who used to come visiting with a nut in his mouth has been replaced by a younger one, not quite so wise who sits on my windowsill some mornings and peers in at me as though waiting for me to open the window and give him access to the warmth of my home. I daren’t feed the little fellow as I don’t want to be swarmed by all his brothers and sisters and extended family members. He is not as persistent as his predecessor who would knock on my patio door trying, it seemed, to either crack that nut or annoy me enough to crack it for him! He was a persistent little creature much like the woman in today’s gospel.

While I was not as benevolent as the judge in the gospel, I do understand that judge’s motivation.

We all know the persistence of children. One of my sons kept asking for the same thing over and over and getting the same “no” from his Dad and me. I asked him at one point why he kept asking that same question knowing the answer was not likely to change. His reply? “I thought if I kept asking you might get tired of saying

no!” Apparently he didn’t understand that both his parents were persistent enough not to change our answers!

Being persistent is a good thing especially in prayer. We know, however, that sometimes the answer to that prayer is still “No”. And when it is “no” we need to have that depth of faith to accept that our heavenly Father knows what is best for us. We do, however, need to persevere in our prayers. We cannot just give up and tell ourselves that God is ignoring us. We need to be constant in our approach to worship, knowing that an answer will come in time. Like the woman in the gospel, we need to keep asking with the faith that our Father will answer us. We are not likely to be asked to die for our faith but we need to be stalwart in our faith, facing those things that challenge us with a courageous heart and a steadfast trust in our Lord.

We should not be like the weather – hot one day and cold or lukewarm the next. Our faith must be constant and our trust in the Lord unflinching. We need to be like that little squirrel who came knocking on my patio door with the nut in his mouth, or like my son, so positive that with constant asking he would finally get the answer he wanted. We need to be like Jesus in the Garden, asking His Father to let the cup pass from Him and preparing to go through His passion to the answer in His glorious Resurrection.

As the nights get longer, let’s take more time to pray with that fervent prayer and knowledge that God is indeed in His Heaven and all is truly well with the world. Let’s spend more time considering what it is that our heavenly is asking of us and commit ourselves to doing His will, living as His true disciples and working to make our little corner of this world a better and happier place.

Wishing you a week of many answered prayers and many small miracles.

WORLD FOOD DAY

OCTOBER 16TH

A World Food Day has been promoted by the Food and Agriculture Organization since 1981. The Church is concerned about the issue of hunger in the world, remembering the words of the Son of Man on the last judgement of the nations, “... I was hungry and you gave me food, I was thirsty and you gave me something to drink...”

Sacred Heart Basement Insulation Retrofit

The basement insulation retrofit has started. This will help reduce the heating cost and make the basement warmer in Winter. Work has started outside at the back of the cathedral. Only the east wall on the 4th Avenue side will be insulated from the inside. The back or North entrance (nearest the school) is blocked off during construction. Please use the entrance at Fourth Ave during this time.

HOW DO WE PAY FOR THIS PROJECT?

Funds for this project were accumulated from the following: **\$56,250.00 from CDF and \$39,000.00 donations from parishioners** from Oct. 2021 – September 2022. We expect to receive a rebate from Good Energy program once the project is completed. Funding for this project is not yet enough. We still need additional funds for its completion. Once again, we seek your support for this important upgrade of the cathedral. Thank you.

Braeburn Christian Camp Needs Your Help

Braeburn Christian Camp is used and maintained by the Roman Catholic, United, Anglican and Lutheran churches of Whitehorse. For many years, many of the costs of running this camp have been met by funds raised through a monthly men's breakfast. Each church takes a turn hosting and providing the breakfast and every year together they offer a spaghetti dinner prepared and served in the CYO hall. Besides being a fundraiser, the breakfast has been an excellent source of fellowship and a learning experience, thanks to fine guest speakers. But now, post COVID, we need your help and participation. Without Sacred Heart's support, Braeburn may not survive and many kids will lose a wonderful summer camp experience. If you value the camp and are willing to assist, please give your name to Fr. Slawek or email the office@sacredheartcathedral.ca.

Visit our website at www.ceayukon.ca to find links to the recently published CCCB Pastoral Letter to Young People and the latest blog article on Catholic schools from Alberta Catholic School Trustees Association (ACSTA), of which CEAY is a member.

We are revising our bylaws and considering a change in structure where CEAY *Executive would not be required to be sitting School Council members* but only nominated by our school councils. This aligns with the structure of our secular partner: the Association of Yukon School Councils, Boards, and Committees (AYSCBC) and opens engagement for active participation in CEAY by other members of our Catholic Education community.
